Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Looking for Fireworks, Holly Cavendish, When her father becomes ill, single city girl Laney Barwell moves to the Cotswolds to look after him. She's been looking for fireworks in her love life ever since she broke up with her predictable ex-boyfriend Giles, but she has no thoughts of kindling the spark she's looking for here. If she can't find love in a big city like London -- with all its internet dating, singles nights, and socials -- how can she ever hope to meet the man of her dreams in the tiny village of St Pontian? But there are two prospects when she gets there: Martin who can always be depended on for a kind word of advice. And Toby, who is distant, but who sets her heart ablaze. When it comes to love, should Laney trust the logic of her head or the racing of her heart?.
