Thomas Mercer, United States, 2012. Paperback. Book Condition: New. Reprint. 305 x 117 mm. Language: English . Brand New Book. Each person worked for the same company, Kemco, which has a dicey history of manufacturing deadly chemicals. Coincidence? Journalism student Crane doesn t think so, especially since one of the dead was his fiancée. Determined to uncover the truth, Crane teams up with a local environmental activist named Boone, whose ex-husband works for the chemical giant. Together, they aim to expose the town s corrupt elements and bring Kemco to justice. But their relentless investigation means that if someone is going to murderous lengths to keep Kemco s real operations a secret, Crane and Boone just made the top of the hit list.
