John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, More Mortgage Meltdown: 6 Ways to Profit in These Bad Times, Whitney Tilson, Glenn Tongue, A clear look at how to capture investment profits during difficult financial times The U.S. economy has become crippled by the credit and real estate catastrophe. Even though we've all been affected by the calamity and have heard no shortage of news about it, it still seems unfathomable and utterly incomprehensible to most people that the actions of certain mortgage brokers, bankers, ratings agencies, and investment banks could break the economic engine of the world. Now, for the first time, and in terms everyone can grasp, noted analysts and value investing experts Whitney Tilson and Glenn Tongue explain not only how it happened, but shows that the tsunami of credit problems isn't over. The second wave has yet to come. But if you know catastrophe is looming, you can sidestep the train wreck and even profit. You just need to understand how bad times present opportunity and where to look. More Mortgage Meltdown can help you achieve this goal. The book Breaks down the complex mortgage products and rocket-science securities Wall Street created Addresses how to find investment opportunities within the rubble and position your portfolio to take advantage of the crisis Explains exactly how the combination of aggressive lending, government missteps, and Wall Street trading practices created the perfect economic storm Shows you why the crisis is not yet over and what we can expect going forward More Mortgage Meltdown can help you understand the events that have unfolded, and put you in a better position to profit from the opportunities that arise during these tough financial times.
