Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Excerpt: .we hear of any tiling wrong among the apostles, because it was here that the germ of his final betrayal was planted. Why do I believe that Judas was an able man, a man of affairs? In the first place, he was actually the financier of that company. He was their treasurer; he managed their affairs. Nor was it any small thing to provide for all the wants of a company of at least thirteen. Again, if I am right about the genesis of his crime, then the very reasoning which led to the crime showed his remarkable penetration. He alone so far back in the ministry of Christ caught the fact of the purely spiritual character of his kingdom. Then the betrayal itself was a shrewd piece of work. If by putting him in the hands of his enemies he forced him to use his mighty power to destroy his foes, and to assume openly the power and prerogatives which Judas saw he possessed, then Judas simply gave him the opportunity to assert himself. If Christ continued his meek policy, and for unaccountable reasons went down before his enemies, then Judas had made friends with the other side, and so would escape the ruin which he now considered it impossible to avert unless Christ called to his aid his divine power, which he could do as well as a prisoner as under any other circumstances. Then his thrifty nature discloses itself in making all he...
