

Network Mergers and Migrations: Junos Design and Implementation

By Gómez Herrero, Gonzalo; Bernal van der Ven, Jan Antón

Wiley, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Having been through the network migrations of both SBC-Ameritech, and SBC-AT&T, this book provides valuable direction and advice to an operator that would be useful when dealing with mergers and migrations. It is about time that someone wrote a book covering not just green field network design, but how do you merge networks together while maintaining the needs of the business." -- Tom Scholl , Principal IP Network Engineer, IP/MPLS Backbone Design and Development, AT&T Labs "I have never read such an excellent book detailing so much about Juniper router operation and design knowledge in depth, not only it has helped me with operating all of our Juniper routers in our national backbone network more efficiently, but also on improving my design knowledge as well." -- Ji Hui , Senior Manager, China Telecom Group Corporation " NMM gives a clear idea of the difficulty of merging or migrating IP networks, and it is a great help for engineers that have to face this type of operation for the first time or even repeatedly." -- Chiara Moriondo , Senior Engineer, Telecom Italia Labs " Network...
