

Village Life and Labour: An Anthology

By Cecil G. Hutchinson, Frank Chapman

Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, Village Life and Labour: An Anthology, Cecil G. Hutchinson, Frank Chapman, Originally published in 1939, this volume attempts to capture some of the traditions of English rural life during a time of increasing agricultural mechanisation. Through descriptions gathered from a number of different authors, the reader is given the sense of rural communities as being held together by a shared understanding of these traditions, and of a shared heritage passed down through the generations. In separating the cultural life of villages from an increasingly rationalised system of production, modern farming techniques are seen as creating fundamental changes in this established existence. This fascinating book will be of value to anyone with an interest in British history and agricultural customs.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
